Description			
We are facing issue while updating other details in booking >> Remarks view and edit option			
1. We are unable to edit the existing remarks - once we click on view button we can see but it no possible now to edit and save option			
2. We are unable to add new remarks - as of in our side admin have the edit option. please assist to find the solution for all other agents and users.			
Please find the screenshot and error occurred in the time for your ref. PFA
