Description			
<p>In our XML Reservation Request we have asked you to pass a unique agent_ref_no for every booking request that you send to us. Sometimes, there may be a possibility that you may receive an error or blank response and in such cases the booking might get posted in our system.</p> <p>So to be on a safer side and to avoid an issue, if you receive any error or blank response in XML Reservation Response then you should send us a booking details request immediately to check the status of the booking in our system. In your booking detail request you should send us the agent_ref_no to retrieve the booking details.</p> <p>Sample booking detail request:</p> <p><a href="http://xmloutptn.planettravelnetwork.com/ws/index.php?xml=<?xml version='1.0' encoding='UTF-8'?><Request><Action>booking_detail</Action><Username>***</Username><Password>***</Password><agent_ref_no>4685</agent_ref_no></Request>">http://xmloutptn.planettravelnetwork.com/ws/index.php?xml=<?xml version="1.0" encoding="UTF-8"?><Request><Action>booking_detail</Action><Username>***</Username><Password>***</Password><agent_ref_no>4685</agent_ref_no></Request></p>			

History
