- File voucher issue 1 star rating and address.png added

- File rooms name.png added

- File room name in cancellation policy.png added

- Status changed from Fixed not Tested to Not Fixed

1) star rating not coming correct.

2) Address not properly inserted- Improvement

3) If same room - ensure the rooms is displayed once and pax is displayed below.

4) Append the room name in cancellation policy in voucher, issue found for roomxml - Improvement

5) show address 3 in agency management field also in hotel voucher

6) the check IN / check OUT and Terms & Conditions text is static text please update the same (client comment) , please refer the doc.

7) Hotel confirmation number is not getting updated with new Number which is being saved from transaction queue report.

8) star rating missing when print is taken

Design issue

1) Not proper design in mail

2) Give a proper good design when print button clicked and print taken, ensure the space is less and less paper is utilized.
