#### #6 - 06/11/2018 11:33 pm - Roshin w

- Status changed from Not Fixed to In Progress

**#7 - 06/12/2018 09:20 am - Roshin w**

- Status changed from *In Progress* to *Fixed not Tested*
- End\_Date changed from 06/04/2018 to 06/11/2018

As per the requirement we are keeping username,password and remember me status in local storage. In new code optimization , after successful login local storage is set as clear. so all the local storage value will get cleared including the login values also.  
Now issue fixed by re assigning the required storage values after clear function.

**#8 - 06/28/2018 10:23 am - Albin Paul**

- Status changed from *Fixed not Tested* to *Closed*
