Description

When We reach payment page, we have 2 options, either to Book or Ticket

When Click on Book now button, the ticket should NOT HAVE TO SHOW, now the ticket is displayed.

Only the message " Your booking is successfully received by www.tripnet.me Team". Our support Team will contact soon.

Things to check

- 1) The agency Account balance must not be reduced if status is booked
- 2) No entry should Come in Account summary report: Only when status is ticketed for flight. the entry should comes in account summary report and Reduce agency balance
- 3) From Transaction queue report, if an agency try to do confirm ticket or manual ticket , the agency balance must be checked. If balance is less , agency user must not be able to ticket / confirm ticket from TQR.
- 4) Master admin can do anything, even if agency has booked the ticket, Master admin if done confirm ticketing. Agency balance can go negative.
- 5) Make sure sales reports are updated accordingly.
