- As of current flow we are sending the checkrouting request until we get "Completed" status get as True (for a preset count).

But we are not logging the request except the first one.

All responses are logging. That's why here we have no.of responses seen in the log folder.

As discussed with Mr.Deepak, the same flow is kept as long.

- Time out in between these requests (checkroutingrequest) is increased from 2 second to 4 secs .

#4 - 06/11/2018 12:53 pm - Sreerag Prasannan

- Status changed from Fixed not Tested to Closed
- Assignee deleted (Jils Thomas)

clarification obtained.
