Description			
After adding markup for hotel,its reflected in cancellation policy in details page.When proceeded and checked in voucher,cancellation amount was shown without adding markup.			
Make sure markup added is reflected in cancellation policy amount till voucher.

1. Check in three provider issue found in one provider.For hotel beds aptitude provider cancellation policy from booking response is assigning with cancellation without adding markup and discount.So change code to apply markup and discount.Need to check in other providers too any issue exists.
